

## Effective Speaking Strategies

Strategy	Example <i>Choose an example where the speaker used or didn't use the strategy described.</i>	How effective was it? <i>How did the speaker's use of the strategy help get his/her point across?</i>
<b>Make eye contact:</b> Did the speaker look into the camera? What was his body language like? Facial expression?		
<b>Use of visuals:</b> Were there any visuals used in this example? Did they add or distract from the message?		
<b>Avoid unnecessary words:</b> Was the speaker concise? Were there any "uhs" or "ums" ?		
<b>Speak clearly:</b> Was it easy to understand what the speaker was saying? Did he or she speak too quickly or mumble?		
<b>Vary your pace and tone:</b> Did the speaker sound like a robot or was there a lot of expression in his or her voice?		
<b>Practice:</b> Did this speaker seem prepared? Did he or she sound natural and confident?
