Research Notes

You will be expected to submit these research notes with your report.
Research reading strategies:
- Set a purpose for your reading;
- Scan the page first for headings;
- Break it up into chunks;
- **Stop after each chunk, summarize key ideas, write down your thoughts.**

The cells will expand to allow you more room.

Source (Cite using APA format):	
What It Says (don't forget page number if available)	What I Think
